TO WHOM IT MAY CONCERN:

On 20 May 1969, John W. Lesow was chosen as the "Outstanding Trainee" at Fort Dix, New Jersey. For this distinction he was awarded the American Spirit Honor Medal at graduation ceremonies on 23 May 1969.

The "Outstanding Trainee" is selected from over one-thousand young men completing basic training at the end of each training cycle. Selection is based on consideration of character, conduct, military appearance, and training record achieved during the eight-week training program, in comparison with all other basic trainees. It is an honor to receive this award; it reflects great credit on the recipient, and is an accomplishment which indicates a bright future for the recipient.
